

# MUMBAI POLICE CRIME BRANCH

## Exhibition of Anti Theft Device for Motors Vehicles

### Do you know this?

- ❑ Last year in Mumbai Maximum numbers of vehicles were stolen from unreserved parking lot. So if you don't have your own parking space please install vehicles security device.
- ❑ In Mumbai most of the cars are stolen which are operated with single key so if you are the owner of the car please install security device.
- ❑ Don't give your car for repairing to small time mechanics, they can make duplicate key and get in touch with thief who can steal car from anywhere.
- ❑ Before appointing driver for your car, check all the required documents .E.g. Driving License, Ration card, Photo etc. and keep copy with you
- ❑ If your car's petrol tank cap is stolen, please lodge a police complaint and change your ignition lock immediately so to avoid theft of you car.
- ❑ Most of the drivers go to sleep when they are waiting for the owner of the car to come and forget the key in the ignition, this can result in to robbery of your car.
- ❑ When you park your two wheeler in parking area, only handle lock is not sufficient. Please add some more safety device to avoid theft.
- ❑ **Please etch your car's number on all the glasses of your car.**
- ❑ If you notice an abandoned your car since log time near your residence of office, please inform to the nearest police station, your identity will be kept secret.
- ❑ Before buying a used car please verify the details of the car, also verify it is stolen or otherwise.
- ❑ The Building which do not have parking space, please appoint security guard for the safety of cars.
- ❑ If anyone is selling you the car at lower rate, it is possible that it might be stolen one. Please inform the police regarding the same.
- ❑ Be a responsible citizen and give helping hand to cops.
- ❑ Be alert and help the police.

**HAVE YOU DONE ETCHING OF YOUR REGISTRATION NUMBER,  
ON ALL THE GLASSES OF YOUR CAR?**
